P-3 Notes													
*Case #1 is for the NEW P-3 Revised Time to Learn where Social Studies, Science, Health, Visual Arts and ICT are integrated with the ELA and Mathematics time allotments- M-F schedule of 10 periods per day of 30 minutes each-highly recommended													
**Case #2 is for the NEW P-3 Revised Time to Learn where Social Studies, Science, Health, Visual Arts and ICT are integrated with the ELA and Mathematics time allotments- 6 day cycle of 10 periods per day of 30 minutes each													
***Case #3 is for the NEW P-3 Revised Time to Learn where Social Studies, Science, Health, Visual Arts and ICT are integrated with the ELA and Mathematics time allotments- 8 day cycle of 10 periods per day of 30 minutes each													
4-6 Notes													
*Case #1 is for the NEW 4-6 Revised Time to Learn where Social Studies, Science, Health, Visual Arts and ICT are integrated with the ELA and Mathematics time allotments- M-F schedule of 10 periods per day of 30 minutes each-highly recommended													
**Case #2 is for the NEW 4-6 Revised Time to Learn where Social Studies, Science, Health, Visual Arts and ICT are integrated with the ELA and Mathematics time allotments- 6 day cycle of 10 periods per day of 30 minutes each													
i.e CAMS TTL periods may round to even #'s as five 60 min classes per day													
***Case #3 is for the NEW 4-6 Revised Time to Learn where Social Studies, Science, Health, Visual Arts and ICT are integrated with the ELA and Mathematics time allotments- 8 day cycle of 10 periods per day of 30 minutes each													
i.e NQs													
Other notes													
TTL periods are a guide only and may vary slightly. ELA has been increased in most cases-reading, listening, speaking, ..													
P-2 schedule is usually tied to 3-6 but overall less TTL needed. Min 4 hrs for P-2 and min 5 hrs for 3-6 including recess													
*P-2 TTL Periods = 3-6 TTL Periods in the above cases but allowances should be made for P-2-early lunch, transition time, etc
